Catechesis of the Good Shepherd
Level I for ages 3-5
During the 8:30 and 10:00AM Mass

What is Catechesis of the Good Shepherd?
Religious formation for children
based on the educational philosophies
of Maria Montessori

How Does it Take Place?
Children experience Catechesis of the Good Shepherd in an “atrium,”
a sacred space where religious experience leads into
learning the meaning of worship and prayer
using hands-on catechetical materials like the vessels used at Mass.
Children are guided by catechists trained in the program.

To maintain the contemplative atmosphere of the atrium,
Space is limited and registration is required.
