Heather Anderson Renshaw, mother of five and on-fire Catholic revert, is a lot like you. She knows all about the wild, crazy, and often hilarious experience of motherhood. And she feels sometimes like she's barely keeping up — and maybe even failing at the whole “mom thing.” Thankfully, as she shares in her book, motherhood isn't a trip that's meant to be taken alone. God's got this, and the more we let Him lead, the more we find the fruits of his Holy Spirit taking root in our hearts and in our families.

With humor, honesty and spirit, Heather will offer tips for getting past the inevitable roadblocks of motherhood, the “GPS” of Scripture for finding your way, and roadside assistance courtesy of the saints.

We are blessed to have Heather in our area from her home in Oregon.

Heather's book, Death by Minivan will be for sale and for signing.
