

Year of
ST. JOSEPH

"Consecration to St. Joseph"

St. Francis of Assisi Parish will be celebrating the
"Year of St. Joseph"
by hosting a
Consecration to St. Joseph

Consecration to St. Joseph emulates the tried-and-true preparation method employed by St. Louis de Montfort in his Marian Consecration, which we have done here at St. Francis in the past.

The Consecration will highlight many of St. Joseph's titles, privileges, and heroic virtues.

Join us on this journey from
February 15th until March 19th

You can do the Consecration on your own at home, or with the parish through weekly meetings online.

In preparation for the Consecration, You will need the book titled
"Consecration to St. Joseph: The Wonders of Our Spiritual Father - 33-Day Preparation Guide for Total Consecration to St. Joseph"
